New Category Descriptions: Starting this year, Categories 100 through 600 will have quilt tops constructed by a single maker and Category 700 "Group Quilts" will be for quilts with tops that have elements by more than one maker.

Please read the category descriptions below and check the category that best describes your quilt, considering the most complex feature of the entry, e.g., no embroidery or applique in pieced categories, etc. Categories 100 through 500 are bed quilts with a minimum perimeter of 220". Quilts in the 200-250 category will have a width up to 72" depending on the number of entries in that and the next category. Category 600 is for smaller than bed sized quilts, mini-quilts and quilted projects. In the judging, no individual may be awarded more than one place per category. Show personnel reserve the right to change a category if warranted or assign as appropriate for our show. Including a photo will aid in proper category assignment.
