

Area Quilt Guild Showcase

*There is **NO FEE** for the quilts entered in this category.*

Again for 2019, PWQF will feature a whole section to showcase and promote the activities of the Quilt Guilds of our area. We invite participation from all clubs and guilds. The showcase for each guild will be a three quilt entry with the description of the guild activities and information about the guild. Quilts in this category will not be judged.

Of course, we are hopeful that members of your guild will also want to take advantage of this “group” delivery to also enter individual quilts and will be interested to attend the show and enjoy learning what other guilds are doing. Entries in the show for this feature will be delivered and picked up in the same fashion as all entries. There will be a special form for the set of three quilts and a special identification for the purpose of display. Priority will be limited to the first ten guilds that respond with the form at the bottom of this page.
